Hi Natalie.

Enclosed you'll find a check for \$40.00, made out to the Assyrian Medical Society.  
I would like to make the donation and purchase 4 tickets.  
Please let me know when you've received this.

Thank you for taking care of this and a big "thank you" to your wonderful family that is  
generously involved with this great cause.

You are all blessed, and I know that the families of these patients will always be in deep  
gratitude to you for what you do for them every day.

Please say hi to your family from me.

Oh, and when you go up to San Jose next, give your Aunt Lida a very big hug from me,  
tell her hello. ☺

Take good care!

☺ Adriane
